TESTIMONIALS

<p>Eamonn Codd Sacred Heart National School Newbawn Co. Wexford</p>	<p>“Éamonn Codd from Sacred Heart N.S. Newbawn here. We recently purchased a stage from Superior Storage Solutions and I can say without doubt that it is one of the best investments we have made as a school. It is a truly fantastic piece of equipment; we have used it for concerts, fashion shows and presentations. It is a well built solid piece but what really stood out for our school was the ease of storage. We are very short on space here and it is very easily stored. I can whole heartedly and without reservation recommend using Superior Storage Solutions, they were very reasonable price wise and their communication is excellent”</p>
<p>Bernie Mangan St. Fiachra's Junior National School Montrose Park Artane Dublin 5</p>	<p>"We purchased an Ultralight Stage Package from Superior Storage Solutions in January 2014. It's absolutely fantastic. Fast and easy to erect and really gives the feeling of being on a theatre stage while the whole thing folds away to almost nothing on its storage trolley. Would highly recommend it”</p>
<p>Paddy Mc Hugh An tSean Bheairic Falcarragh Co. Donegal</p>	<p>“We've had the Ultralight Stage Package for over a year and are very happy with it. We have set it up and dismantled it many times. The stage is very strong and sturdy when put together. It is also very light and packs away nicely, great if you have limited storage space. It is very versatile and can be used in many different setups”</p>
<p>Patricia Feighery St. Dominic's College Cabra Dublin 7</p>	<p>“We have recently purchased an Ultralight Choir Package from Superior Storage Solutions. From start to finish, our experience was excellent. Our “wish-list” was to buy a system which would be secure, portable, light-weight, easy to assemble and disassemble and versatile. Superior Storage Solutions gave us some options and given our needs and budget, we received excellent advice on our final decision. From start to delivery, the process was seamless. The system arrived comfortably ahead of its expected date. Within the first week of receiving it, we have used the system in two different “line-ups”, housing choirs of 80 and 50 students respectively. We are extremely happy with our purchase and with the service and attention we received from Superior Storage Solutions“</p>

<p>Deirdre Early St Brigid's Primary School The Coombe Dublin 8</p>	<p>“We purchased an Ultralight Stage Package from Superior Storage Solutions with a donation of funds made to our school. We are very happy with our stage which is easy to store, easy to assemble and looks great when in place. The follow up service from Superior Storage Solutions was also very satisfactory”</p>
<p>Richard Latchford Top 5 Dublin Law Firm</p>	<p>“David met me on site, to establish the most suitable staging solution. After discussing several options, David put together a competitive quotation, which we proceeded with. Delivery was prompt, and we are very happy with the product. We would have no hesitation in recommending Superior Storage Solutions”</p>

If you require any further information regarding our Ultralight Staging please do not hesitate to contact myself.

Yours Sincerely for Superior Storage Solutions,
